Dear Member of the Independent Beef Association of North Dakota,

Your I-BAND membership is up for renewal. We appreciate you joining I-BAND and ask for your Continued support. There are numerous issues of importance to cattle producers in the coming year. Our membership is primarily made up of cow calf operations in North Dakota. We're a non-profit Organization that works in conjunction with other organizations as your statewide and national voice in the cattle industry. We have represented our membership on issues including the Farm Bill, Country of Origin Labeling (otherwise known as COOL), the National Animal Identification System, the JBS packing plant merger, the Beef Checkoff Modernization Act, and enacting the GIPSA rule.

For less than \$1/week we will continue working to put fairness and competition back in the market. Strength comes in numbers and I-BAND needs a strong membership to carry out your voice within and outside of North Dakota. We're a grassroots cattlemen's organization, addressing the market interests of North Dakota cattle producers. Please complete and return this form along with your annual dues.
